What is CliO Hybrid APP?

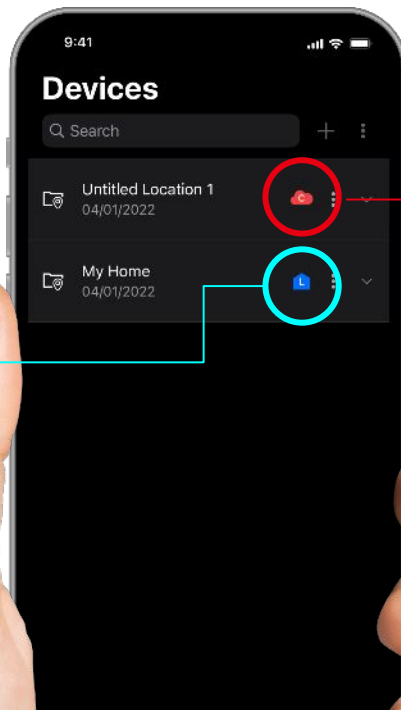

Hybrid APP is ...

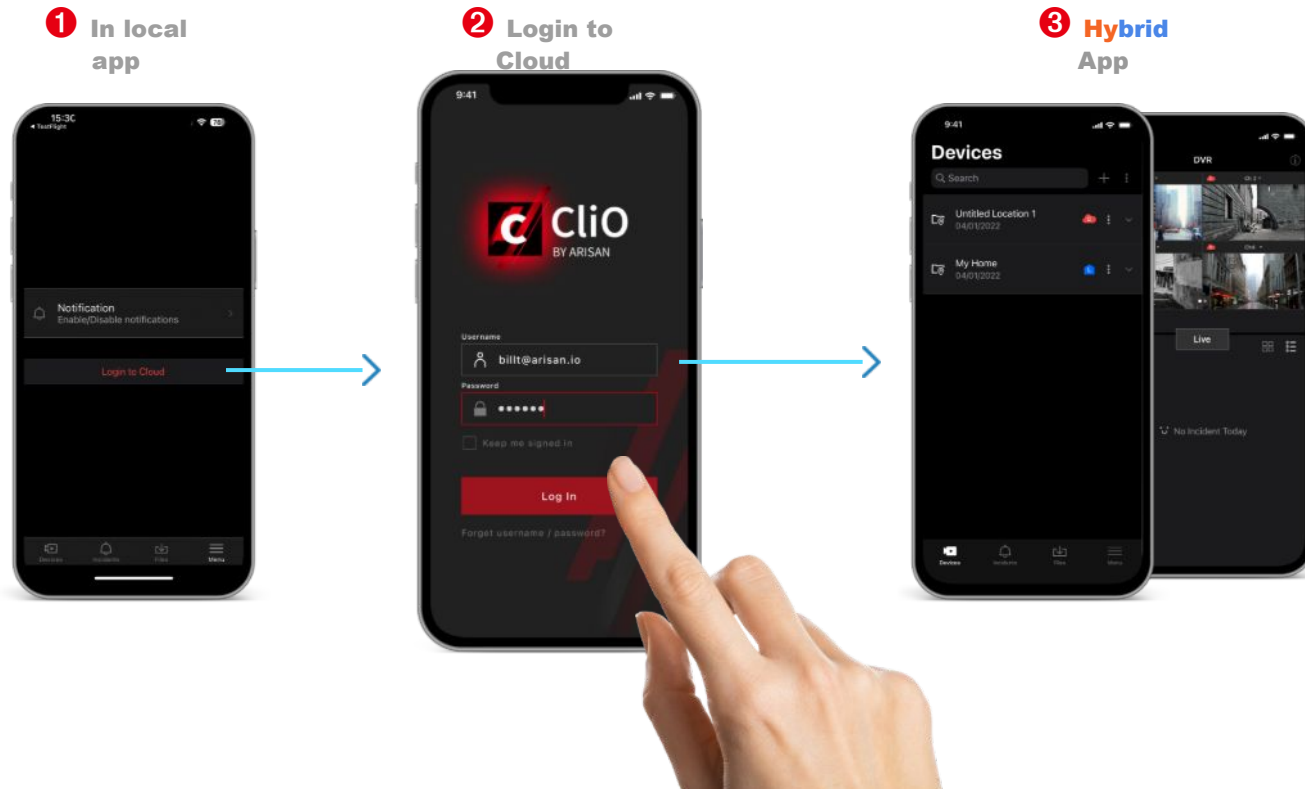

One App

Now you can watch
local video on cloud
App.

 **Local**
Local Storage

How it works?

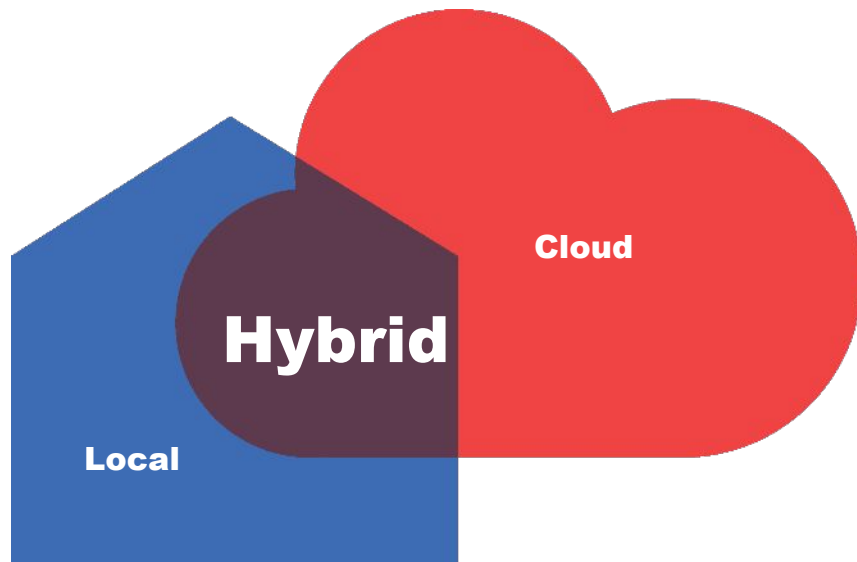

Abstract

CliO Hybrid APP

**A Hybrid APP made by
mixing
Local and Cloud**

In any case you want to use the App for device management, mass management or cloud storage, it could work either way.

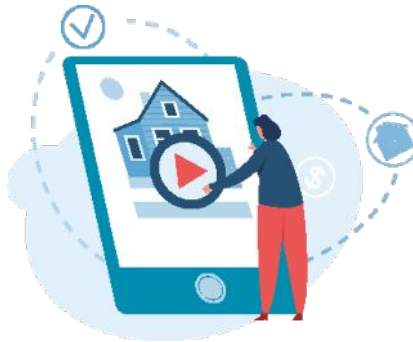

Advantages

Flexible sale

Could be commercial use
or personal use

Single Platform

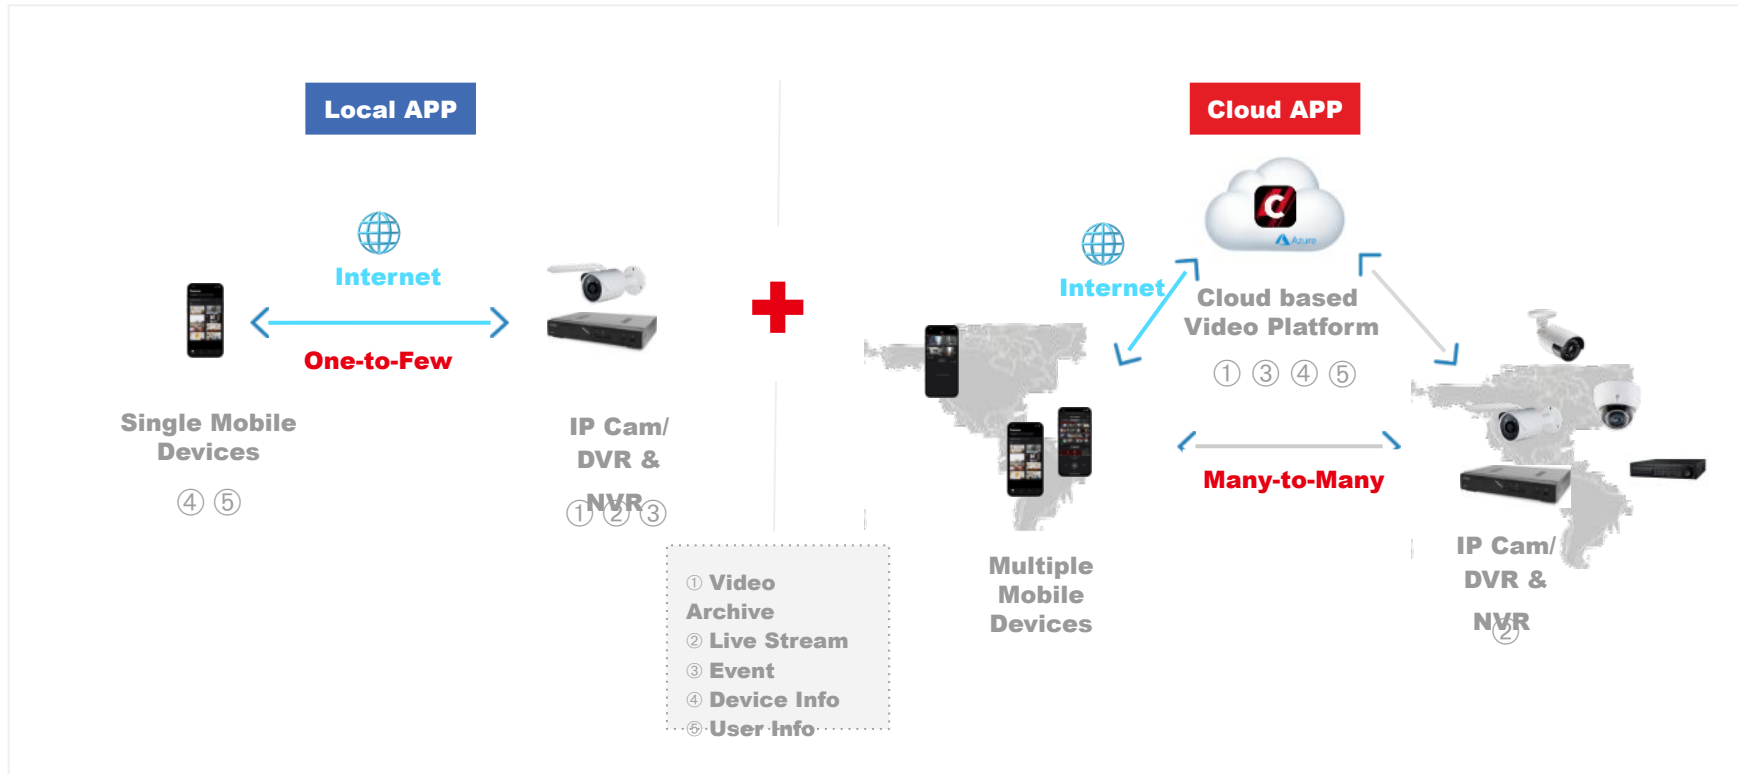

Easy management, quickly
get the hang of operation

With Web APP

Work also with PC and
Laptop

Hybrid APP Structure

The Difference in Function Between Cloud and On-Premise

	Local APP	Cloud APP
Video Archive		✓
Automatic Backup Device Info		✓
Automatic Backup User Info		✓
Backup Key Incident		✓
Footage Download	✓	✓
Live Streaming and Play Back	✓	✓
Incident Notification	✓	✓
Incident Search	✓	✓
* Web App only Dealer Portal*		✓

Start Using

Initialize settings

QR Code
